A Note for Parents

Volume 4 - Word Search & Word Games

Welcome, parents and teachers!

This book is made for little hands and big imaginations. Every page is a fresh activity - just print and play, one page at a time.

How to use this book:

* Print at 100% scale (no 'fit to page') on US Letter paper.
* Use thick crayons or markers for coloring pages, and a pencil for tracing, mazes and dot-to-dot pages.
* Let your child work at their own pace - one or two pages a day is perfect. Praise effort, not perfection!
* Answer keys are at the back of the book where puzzles have one right answer (mazes, word searches, counting).

Skills your child will practise:

* Fine motor control, hand strength and pencil grip
* Letter and number recognition, early spelling
* Counting, patience, focus and problem solving

Questions or a file that will not print? Email us any time at puzzle-pout-talon@duck.com - we reply within 1-2 business days.

Have fun together!
